Meltdown Festival Fever

This June, we're turning up the volume on summer in celebration of Harry Styles curating Meltdown Festival. We're bringing you two cocktails that channel a little pop star magic.

WATERMELON SUGAR SPRITZ £15

VODKA | MELON LIQUEUR | MELON SYRUP | PROSECCO | BLOOD ORANGE SODA | SUGAR RIM

Juicy, playful and refreshing. A summer-soaked spritz with a ripe melon sweetness and a citrus lift, finished with a sparkling, sun-drenched fizz. Think poolside energy meets the Thames.

LITTLE FREAKS £12

SPICY TEQUILA | AGAVE SYRUP | LIME JUICE | PINEAPPLE JUICE | GRAPEFRUIT BITTERS
YUZU & LIME SODA | DRIED GRAPEFRUIT | GRAPEFRUIT SALT GARNISH

Bold, bright and mischievous. A tropical-spiced tequila serve with a sharp citrus edge and a soft yuzu lift, built for those who like their summer cocktails with attitude.
